SIR:

Transmitted herewith is a Request for a Certificate of Correction for above-identified U.S. Patent. Patentee respectfully requests the approval of the

24 SEP 2004

attached Certificate of Correction which will bring the above-identified patent into conformity with the patent as the Examiner and Patentee intended that the patent would issue. Upon reviewing the Letter's patent, patentee noted the following typographical errors with regard to the claims:.

In column 6, line 22: delete "cove" replace with --core--.

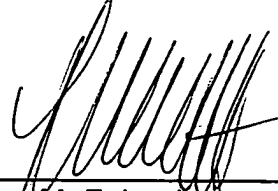

In column 6, line 29: delete "sad", replace with --said--.

A review of the file wrapper confirms that the error was made in the printing of the patent since the text of the claims correctly describe the invention.

Since this error for which a Certificate of Correction is sought is a result of a Patent and Trademark Office mistake, no fee is due (35 U.S.C. §254).

Respectfully submitted,

By: \_\_\_\_\_
